Whether U believe it R-U don t care R whatever your excuse is He s still God and He s a soon coming King. Don t think God doesn t know how hard it is living in this world. U must remember He came and lived thirty-three years as Man and His mission was harder than ours because He had to live a sin free life. With all the Jezebels, bribes, and temptations that was after Him He endured all of them to the end. In this book it tells how I had to endure also and that was by repenting. There is no one but our Savior who lived a saved life in this world without sin so don t think U have to hold your breath until U turn blue if U mess up all U have to do is ask for forgiveness. HOWEVER U have a lot of people today that want the Lord to come back and B crucified all over again so they can see the nail print in His hands. Friends out there He will B back again alright but not to show His hands but to get His Church that s without a spot R a wrinkle. I can t tell U how an airplane floats in the sky all by itself nor can I tell U why...
