

A Tale of Ten Candles: Urban Legends from India (Paperback)

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

(Prof. Loyce Runolfsson Jr.)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Old houses are also like old people who concealed in themselves the unfulfilled cravings; this tale is about an abandoned cottage, a cottage abandoned by time with a tale, A Tale Of Ten Candles. Centuries ago there was a King who was passionate about horror tales and especially the true tales. He uses to give golden greet to the narrators of horror tales and extra booty to those who tell him true tales but soon guided by their greed the visitors started telling false stories claiming them to be true. To tackle this treachery, the king with the help of an African black magician invented a new game, a game which gives genesis to fear, A Tale Of Ten Candles. The rules were simple but mandatory. On every Amavasya (No Moon Night) ten teller of tales will sit forming a circle with a candle burning in front of each of them and they should narrate their stories one by one. After every story, the candle will be blown off by itself if the tale would have been true or the story teller had to put his candle off by himself. So, as the game increases the darkness seems its denser form and one by one all candles were supposed to be off. If all the stories were fake then the final tale will be narrated by a cursed witch and the judge of this game in complete darkness and the cost of the dishonesty of story tellers would have been their lives and if even a single tale was proven to be true then the game was won by narrators and their one wish had been granted to them. The turn of...
