Like Stephen King, you can tell one hell of a story! By far the scariest book I ve read. You Sir are a genius!!!! Hooked on this book! I couldn t put it down. What a trip through madness, perversion, and Hell! If you ever wondered about the downward spiral drugs, alcohol, and demons (real or imagined) can take a person, this book tells it all. Graphic, compelling, dangerous. Speechless.Indeed. Such crisp blatant honesty! Straight up intensity that leaves one shaking from the inside out. There is no story telling contained between its covers, only truth. Descriptive, informative, courageous. If it s fiction you seek, you won t find it here. Amazing read!
