Brand New Book ***** Print on Demand *****.The Study of School Turnaround is an examination of the implementation of School Improvement Grants (SIG) authorized under Title I section 1003(g) of the Elementary and Secondary Education Act and supplemented by the American Recovery and Reinvestment Act of 2009. Baseline Analyses of SIG Applications and SIG-Eligible and SIG-Awarded Schools uses publicly-available data from State Education Agency (SEA) websites, SEA SIG applications, and the National Center for Education Statistics Common Core of Data to examine the following: (1) the SIG related policies and practices that states intend to implement, and (2) the characteristics of SIG eligible and SIG awarded schools. This first report provides context on SIG.
