We see this in the opening verses of Genesis and in the First Epistle of John, where those causing confusion are ultimately labeled as children of the devil (1 John 3:10). We see examples of this theme throughout Israel s history, in the messages of the prophets, in Jesus demonstrations of authority over the powers of darkness, in the Epistles where we find principles for living godly and non-chaotic lives, and finally in the Book of Revelation where, in the end, Jesus victoriously reigns over all. These images illustrate the origin of international development: setting right what is not right, something destroyed and desolate, something that is not compatible with life-tohu wabohu. Creation . constituted bringing order to the cosmos from an originally nonfunctional condition. There is a need in all societies for restoring order and relationships to reflect God s will for this world, overcoming evil with good.
