DEJA VU: THE UNIFIED COMMAND PLAN OF THE FUTURE REVISITED (PAPERBACK)

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Military command-and-control structures must adapt to the environment in which they operate. Following World War II, command and control evolved to meet the conditions of the postwar era. Sixty years later, the international system has again changed significantly. Military structures should evolve accordingly, placing particular emphasis on establishing a task-oriented approach to unity of command. This book follows the history of the...
