Reviews

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.

Pearson Education Limited. Mixed media product. Book Condition: new. BRAND NEW, Phonics with the Alphablocks: Super Phonics, Joe Elliot, Caroline Harris, Catherine Baker, The Phonics with the Alphablocks series is based on the highly popular CBeebies TV show giving a fun and entertaining way to learn phonics. Super Phonics is the third pack in this series following on from Starting Phonics and Simple Phonics, and it covers the remaining phase 2 letters and sounds such as 'h b ff ll ss j v w x y z zz qu'. Aimed at pre-school and reception-aged children who are learning to read, Phonics with the Alphablocks incorporates best-practice phonics teaching used in schools and will help young children develop engagement and confidence with reading and making words at home. The three packs collectively give you everything you need to introduce your child to the 44 most basic phonics sounds - so they can start to learn to read, and you can be reassured the letter sounds are how they are taught in school. This pack includes 3 reading books, a set of Alphablocks playing cards and a Parent Guide showing how to get the most out of these resources. Suitable for children aged 3-5 years.
