Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Ally Reichel)

THE OBSIDIAN BLADE

Candlewick Press (MA). Paperback. Book Condition: New. Paperback. 320 pages. Dimensions: 8.1in. x 5.4in. x 1.1in. Kicking off a riveting sci-fi trilogy, National Book Award winner Pete Hautman plunges us into a world where time is a tool and the question is, who will control it. The first time his father disappeared, Tucker Feye had just turned thirteen. The Reverend Feye simply climbed on the roof to fix a shingle, let out a scream, and vanished only to walk up the driveway an hour later, looking older and worn, with a strange girl named Lahlia in tow. In the months that followed, Tucker watched his father grow distant and his once loving mother slide into madness. But then both of his parents disappear. Now in the care of his wild Uncle Kosh, Tucker begins to suspect that the disks of shimmering air he keeps seeing one right on top of the roof hold the answer to restoring his family. And when he dares to step into one, he's launched on a time-twisting journey from a small Midwestern town to a futuristic hospital run by digitally augmented healers, from the death of an ancient prophet to a forest at the end of time. Inevitably, Tucker's actions alter the past and future, changing his world forever. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
