Hodder Stoughton General Division, United Kingdom, 2006. Paperback. Condition: New. Language: English . Brand New Book. You re twelve years old. Your mother s a junkie and your father might as well be dead. You can t read or write, and you don t go to school. An average day means sitting round a bonfire with your mates smoking drugs, or stealing cars. Welcome to Urban s world. Bernard Hare was on society s margins, living on one of Leeds roughest estates and with a liking for drink and drugs. So he knew what life in the underclass was like in 90s Britain. But even he was shocked when he met Urban, an illiterate, glue-sniffing twelve-year-old. And through Urban he got to know the Shed Crew - an anarchic gang of kids between the ages of ten and fourteen; joy-riding, thieving runaways, who were no strangers to drugs or sex. Nearly all had been in care, but few adults really cared. Bernard decided to do what he could. He didn t know what he was letting himself in for.
