FINDING GOLD: THE SEARCH FOR OUR OWN PRECIOUS SELF

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.When we are not in truth, we are not in reality. So our work is to find our own unique brand of unreality buried in our wrong conclusions, unnecessary defenses and evasions. This is our struggle-to come out of the distorted ways we see the world. It is logical that we must climb this mountain on our own, if we want what s at the top. Paradoxically, that is where we ll find our core. Eventually, we ll start living from our core rather than from our erroneous thinking. It is then, when we act and react from our core, that we can reach and affect the core of other people. But to do that, first we have to become whole again-we must become undivided. Our real self is one whole amazing nugget, just waiting for us to find it. Real. Clear. (Book Two) This spiritual trilogy conveys the Guide s profound ideas through easier-to-read language. Each book is short, to the point and written with a bit of levity. Hopefully this will aid in the digestion of these deep truths. As Mary Poppins put it, A spoonful of sugar helps the medicine go down.
