SONGS OF A SISTERMOM: MOTHERHOOD POEMS (PAPERBACK)

Nunes Productions, NY Words Press, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book. A soulful and heartfelt look into the symphony of motherhood through the prism of one woman s journey, this collection of accessible poetry is an inspiring and humorous celebration of the African American mother and her experience. Inspired by the author s own experiences, along with her association in a local support group for African American mothers and their families, the poems are textural and insightful without being too complex. The collection follows the four phases of motherhood over time: love; pregnancy, childbirth, and new motherhood; the ups and downs and craziness of motherhood; and motherhood musings about greater life lessons.
