Reviews

Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

BLACK TIDE (HARDBACK)**DOWNLOAD**

Turner Publishing Company, United Kingdom, 2011. Hardback. Book Condition: New. 236 x 168 mm. Language: English . Brand New Book. A searing look at the human face of BP s disaster in the gulf it is the largest oil disaster in American history, and it could happen again. It is more than a story of ruined beaches, dead wildlife, corporate spin, political machinations, and financial fallout. It is a riveting human drama filled with people whose lives will forever be defined as before and after the gulf oil disaster. Black Tide is the only book to tell this story through the perspective of people on all sides of the catastrophe, from those who lost their lives, loved ones, and livelihoods to those who made the policies that set the devastating event in motion, those who cut the corners that put corporate profits over people and the environment, and those who have committed their lives to ensuring that such an event is never repeated. Dramatic and compelling, Black Tide exposes the human failings and human cost of the largest oil disaster in American history and how it could easily happen again. We cannot allow the BP disaster to be pushed from public view the way BP used chemical dispersants to hide the oil. These remarkable stories-of loss, heroism and culpability-are a vivid reminder that this catastrophe will be with us for decades, and that we have not yet made the changes necessary to prevent destruction in the future. -Naomi Klein, author of The Shock Doctrine: The Rise of Disaster Capitalism. It s hard to imagine a better person to turn loose on this epochal disaster than Antonia Juhasz, with her compassionate heart, vivid prose, and rich expertise in both oil and economic policy. From oil-smeared beaches, to the drilling rig s control room,...
