Samuel French, Inc., 2010. Paperback. Condition: New. New.. Language: English . Brand New Book ***** Print on Demand *****.Theatre for Young Audiences Characters: 6 males, 4 females, 6 males or females, plus extras To my way of thinking, there are no such things as strays; only those who have not yet found their homes. From the imaginative mind of award winning TYA author Chris Grabenstein comes a very funny, very touching new comedy filled with laughter, learning, and heart that's ideal for school groups and professional children's theatres. Curiosity Cat is the play-within-the-book from Grabenstein's award-winning novel for middle grades readers The Hanging Hill. It's a story about displaced children and homeless cats as well as family and the value of curiosity. When their mother becomes very ill Claire and Charlie are forced to live with their father's Aunt Jenny. A stray cat named Curiosity also wanders into the house. When he breaks Claire's prized music box, she immediately throws him back out into the streets. Being homeless is an adventure, not a concern, for a cat this curious and cool. Soon, the children (with Fred the dog) set out to rescue Curiosity Cat who is busily trying to help other forlorn felines find homes while simultaneously avoiding a newly appointed cat catcher who vows to put him to sleep! Filled with memorable characters -- such as Coot, the geriatric cat; Slicker the big city alley cat; Penelope, the pampered Persian Princess; Fred the extremely loyal dog; a nervous and nutty squirrel; a chorus of cute jailbird strays; and the evil cat catcher Skeevelberger -- the play builds to a funny and touching climax that will leave audiences laughing and cheering!.
