Buckaru Publishing, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Introduction In this book, we ll show you all the elements needed for real estate investment at two different levels. At the Basic level, you ll learn the fundamental knowledge needed for buying real estate. First, you need to separate the truths from the myths so you have a clear understanding of the subject before you start to jump onto the boat. Then we ll show you the process in a step-by-step order, such as where you can find deals, how to analyze deals, how to make an offer and finally how to close the deal. Of course, it s unlikely that you can succeed in this business all by yourself. That s why we ll also explain to you who you should partner up with. In the advanced topics, we ll show you more complicated concepts in real estate investment as you re ready to take your investment to the next level. For instance, if buying a property isn t easy for a novice investor, renovating and managing one is definitely even more challenging. We ll show you what you can do to facilitate your property renovation and management and to protect yourself. Then, we ll explain the different ways real estate can earn you profits (i.e. profit centers), how you can sell a purchase contract instead of the underlying property (i.e. wholesaling), and how to profit while helping people in a rent-to-own arrangement (i.e. lease option). And the most interesting topic of all, we ll show you how you can invest in real estate without your own money! As you can see, real estate investment is more than just buy-and-hold; there are a lot more strategies available. But of course, more options...
