### **Reviews**

*This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.For every person the story of life is the eternal quest for answers to the multitude of questions we are driven to ask. The constant search for simple solutions to the challenges we face is a peculiar aspect of human nature. Our inherent sense of curiosity encourages us to believe that a better solution lies around the next corner. Actually, this is the search for inner contentment, and it involves a certain amount of inner-faith, allied to the development of a healthy mental attitude. Similarly, it is true that lots of patience is required, as well as facing the fact that it is possible to sometimes find more than one correct answer. As I write these words I remain conscious this is the ongoing puzzle that continues to tax some of the cleverest minds in the world. In the final analysis you are who you are, simply because you are the person you have chosen to be. When you get out of bed in the morning, you put on the clothes of the person you were the previous day. As a creature of habit you assume the same mannerisms as before, continue to think the same thoughts, to carry on with the same customary routine and even express the same beliefs you always did. To quote the words of the great feminist and writer, Anais Nin We don't see things as they are, we see them as we are. Basically, throughout the journey of life you gradually mould yourself in your own image. Yet, everyone knows these moulds are made to be broken, and as you are an organic part of nature, deep within your heart you...
