Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Richmond, Virginia in1790. Edward Mundy purchases a Conestoga wagon so he and his family can become the very first pioneer family, exploring beyond the original thirteen states. Only, following a manufacturer s recall on his wagon, he quickly discovers that he needs to register his wagon. and he needs a driver s license. and insurance. and a hunting permit. and a campfire permit. and so much more. and each permit and license has a fee (not a tax). This story pokes a little fun at big government and gives a humorous look at how we might never have expanded beyond those original thirteen states if all of today s rules and regulations were in place at that time.
