

The Country-Cides of Namibia and Botswana: Brian's World

By David Fletcher

Troubador Publishing. Paperback. Book Condition: new. BRAND NEW, The Country-Cides of Namibia and Botswana: Brian's World, David Fletcher, A mauling of mankind and a travel diary make rather odd bedfellows. However, in The Country-cides of Namibia and Botswana, these unlikely playmates not only share the same pages, but they also enfold each other in a somewhat intimate embrace. This remarkable union is all thanks to Brian. Because, as he embarks on a three-thousand-mile trip around Namibia and Botswana - which he records - he also embarks on an extended bout of 'assassinations'. To illustrate to his wife how humankind is ill-suited to be the custodian of the world, he seeks to show her how inept it is at running its own affairs - at the level of the nation state. He does this by providing her with a series of critical commentaries on thirty of the world's countries - commentaries that are so critical of these countries that they constitute nothing less than their murder. In short, he commits one act of country-cide after another and, in doing so, he assembles his indictment of mankind. So, for example, he explains why Canada can easily be regarded as the most John...

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
