STAR SURGEON

Echo Library. Paperback. Condition: New. 108 pages. Dimensions: 9.0in. x 6.0in. x 0.5in.Excerpt: . . . now it seemed they were walking through an incredible treasure-trove stocked with everything that they could possibly have wanted. For Jack there was a dress uniform, specially tailored for a physician in the Blue Service of Diagnosis, the insignia woven into the cloth with gold and platinum thread. Reluctantly he turned away from it, a luxury he could never dream of affording. For Tiger, who had been muttering for weeks about getting out of condition in the sedentary life of the ship, there was a set of bar bells and gymnasium equipment ingeniously designed to collapse into a unit no larger than one foot square, yet opening out into a completely equipped gym. Dals eyes glittered at the new sets of surgical instruments, designed to the most rigid Hospital Earth specifications, which appeared almost without his asking to see them. There were clothes and games, precious stones and exotic rings, watches set with Arcturian dream-stones, and boots inlaid with silver. They made their way through the corridors, reluctant to leave one display for the next. Whenever something caught their eyes, the commander snapped his fingers excitedly, and the item was unobtrusively noted down by one of the underlings. Finally, exhausted and glutted just from looking, they turned back toward the reception room. The things are beautiful, Tiger said wistfully, but impossible. Still, you were very kind to take your time This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
