

Changing Jamie (Paperback)

Filesize: 2 MB

Reviews

Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Harmony Ink Press, United States, 2017. Paperback. Condition: New. 2nd Revised ed.. Language: English . Brand New Book ***** Print on Demand *****.2nd Edition Jamie s pretty much an average gay teenager. He s in the closet, has an unrequited secret crush on a fellow high school athlete, and an awful home life. It s a good thing he has his friend Billy to distract him and to show him that being out has its benefits. Billy is everything Jamie isn t: openly gay, wealthy enough to follow fashion trends, and with a social calendar full of dates with older men. Then Jamie s life spins into a downward spiral. Billy starts acting weird and hiding things from him. His stepfather s abusive behavior escalates until Jamie dreads going home. His English teacher assigns him to tutor the object of his affection, gorgeous track star Dylan. Jamie s not even sure he can talk to Dylan, let alone tutor him, and it s impossible to talk to Billy about it. Billy s too wrapped up in a dangerous game called bug chasing: trying to catch HIV. Billy s risky behavior nearly shatters their friendship and forces Jamie to look at the world in a whole new way. Can Jamie keep Billy safe, stay on top of homework and a new boyfriend, and convince his mom to give his stepdad the heave-ho? First Edition published by Torquere Press, 2008.
