*This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

**RIFLE REPORTS: A STORY OF INDONESIAN INDEPENDENCE (PAPERBACK)****DOWNLOAD**

University of California Press, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. On August 17, 1945, Indonesia proclaimed its independence from Dutch colonial rule. Five years later, the Republic of Indonesia was recognized as a unified, sovereign state. The period in between was a time of aspiration, mobilization, and violence, in which nationalists fought to expel the Dutch while also trying to come to grips with the meaning of independence. Rifle Reports is an ethnographic history of this extraordinary time as it was experienced on the outskirts of the nation among Karo Batak villagers in the rural highlands of North Sumatra. Based on extensive interviews and conversations with Karo veterans, Rifle Reports interweaves personal and family memories, songs and stories, memoirs and local histories, photographs and monuments, to trace the variously tangled and perhaps incompletely understood ways that Karo women and men contributed to the founding of the Indonesian nation. The routes they followed are divergent, difficult, sometimes wavering, and rarely obvious, but they are clearly marked with the signs of gender. This innovative historical study of nationalism and decolonization is an anthropological exploration of the gendering of wartime experience, as well as an inquiry into the work of storytelling as memory practice and ethnographic genre.
