Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Let s indulge a little on the country s appeal. Over 20,000 miles of virtually untouched coastline, a series of cities founded on ingenuity and intrigue, endemic wildlife skipping around all over. This is where you ll find the world s biggest monolith, it s longest reef, oldest rainforest, longest surviving culture, and a completely new definition of uninhabited wilderness. With Australia, there s never a debate about whether you want to go. It s hard to find a soul on the planet who isn t in-spired by the thought of this immense island nation. The question is more about how to transform Australia from fantasy to reality. First up are the practicalities. Just flying across the country takes five hours, nothing but scorched landscape beneath the wingtips. Even on the ever popular East Coast you can drive for hours without seeing anything but sugar plantations and the odd kangaroo. Second up is cost. Australia s transformation from rugged hinterland into sophisticated nation knows no boundaries, and the spiraling costs have many visitors surviving off boxed wine and jam sandwiches. What you will find inside: * Why You Will Fall In Love With Australia * Welcome to Australia! * Planning Your Trip Ahead(Travel Routes, Itineraries, Etc.) * Immersing Yourself in Australia * An Overview of the Destination Chapters * Sydney and Around * Melbourne and Victoria * South Australia * Buenos Aires Is Much More than Tango! * And more.
