It is great and fantastic. Better than never, though I am quite late in starting reading this one. Your life period will likely be transformed once you comprehensively read this book.

Ancient Cities is unusual in presenting this wide range of Old World cultures in such comprehensive detail, giving equal weight to the Preclassical and Classical periods, and in showing the links between these ancient cultures. User-friendly features include: * use of clear and accessible language, assuming no previous background knowledge * lavishly illustrated with over 300 line drawings, maps, and photos * historical summaries, further reading arranged by topic, plus a consolidated bibliography and comprehensive index * new to the second edition: a companion website with an interactive timeline, chapter summaries, study questions, illustrations and a glossary of archaeological and historical terms.
