Createspace, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.(2nd Edition: July 6, 2012) In *The Chinese Dream*, a groundbreaking book about the rising middle class in China, *Forbes* columnist and China expert Helen Wang challenges us to recognize that some of our fears about China are grossly misplaced. As a result of China's new capitalist paradigm, a burgeoning middle class-calculated to reach 800 million within the next fifteen years-is jumping aboard the consumerism train and riding it for all it's worth-a reality that may provide the answer to America's economic woes. And with China's increasing urbanization and top-down governmental approach, it now faces increasing energy, environmental, and health problems-problems that the U.S. can help solve. Through timely interviews, personal stories, and a historical perspective, China-born Wang takes us into the world of the Chinese entrepreneurial middle class to show how a growing global mindset and the realization of unity in diversity may ultimately provide the way to creating a saner, safer world for all.
