This contemporary approach to World Regional Geography introduces the latest ideas, concepts, and theories in geography while also developing a strong foundation in the fundamentals of world regions. It helps professors convey a strong sense of place and an understanding of the connections within and between world regions. Globalization and Diversity is a briefer version of the popular Diversity Amid Globalization by the same authors; this distillation focuses on the core materials that students need in a World Regional Geography course. The Fourth Edition features a new and unique focus on sustainability.
