

## Mrs. Raffles (Paperback)

Filesize: 5.05 MB

### **Reviews**

*This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.*

That I was in a hard case is best attested by the fact that when I had paid for my Sunday Herald there was left in my purse just one tuppence-ha penny stamp and two copper cents, one dated 1873, the other 1894. The mere incident that at this hour eighteen months later I can recall the dates of these coins should be proof, if any were needed, of the importance of the coppers in my eyes, and therefore of the relative scarcity of funds in my possession. Raffles was dead -- killed as you may remember at the battle of Spion Kop -- and I, his companion, who had never known want while his deft fingers were able to carry out the plans of that insinuating and marvelous mind of his, was now, in the vernacular of the American, up against it. I had come to the United States, not because I had any liking for that country or its people, who, to tell the truth, are too sharp for an ordinary burglar like myself, but because with the war at an end I had to go somewhere, and English soil was not safely to be trod by one who was required for professional reasons to evade the eagle eye of Scotland Yard until the Statute of Limitations began to have some bearing upon his case. That last affair of Raffles and mine, wherein we had successfully got away with the diamond stomacher of the duchess of Herringdale, was still a live matter in British detective circles, and the very audacity of the crime had definitely fastened the responsibility for it upon our shoulders.
