But tackling a heavy workload at medical school and working late-shifts leaves little time for the couple. Something's gotta give. In Spain, Sean was diagnosed as suffering from migraines. But after the medications have no effect and he starts suffering from other complaints, he decides to get a second opinion without telling Michael. When Michael finds out, Sean's usually laid-back husband's reaction shocks everyone. But Michael needs to get his head sorted fast, because Sean needs his strength. As their school career comes to a close and the one person who holds them all together starts to fall apart, the final exam is a true test of friendship.
