ASSESSING LIFE

Profil Verlag Jun 2013, 2013. Taschenbuch. Condition: Neu. Neuware - How does genetic medicine change our lives How does it change the ways in which health and disease are understood and experienced These questions explicate what this book is concerned with. Medicine, as we know it today, is highly organised. What happens in a medical consultation, what is done to us, but also what we are expected to do with ourselves is structured by action regimes. Consequently, these regimes are...
