FUNDAMENTOS EDITORIAL, 2009. Condition: Nuevo. Este segundo volumen de canciones de Bruce Springsteen incluye los elepés publicados desde 1986 hasta 1995: Bruce Springsteen & The E Street Band Live, Tunnel of Love, Lucky Town, Human Touch, Unplugged, Greatest Hits y The Ghost of Tom Joad; además de los singles Chimes of Freedom, Missing y Dead Man Walking. En estas obras vemos al Boss más preocupado por conservar que por conquistar, aunque todavía serenamente combativo con los fantasmas de sus dudas y sus contradicciones. La temática de sus canciones vuelve a ser testimonio de su lúcido afán por superar y mejorar su condición de ser humano, demostrando que el rock and roll, más allá del entretenimiento, es un poderoso vehículo de comunicación y denuncia. Una vez más se reproduce el texto íntegro de las letras de las canciones con su traducción al castellano. El resto de la obra de Bruce Springsteen se encuentra en los libros Canciones I y Canciones III, números 103 y 222 de esta misma colección.
