Hume based his descriptions of poor urban life on his knowledge of Little Bourke Street. He sold the English and United States rights to the novel for 50 pounds, and thus derived little benefit from its success. Finding that the novels of Emile Gaboriau were then very popular in Melbourne, he obtained and read a set of them and determined to write a novel of a similar kind. Doyle remarked, *Hansom Cab* was a slight tale, mostly sold by puffing . After the success of his first novel and the publication of *ano*. It eventually became the best selling mystery novel of the Victorian era, author John Sutherland terming it the most sensationally popular crime and detective novel of the century. This novel inspired Arthur Conan Doyle to write *A Study in Scarlet*, which introduced the character Sherlock Holmes. The result was the self-published novel *The Mystery of a Hansom Cab* (1886), which became a great success.ther, Professor Brankel s *Secret* (c.1886), Hume returned to England in 1888.He resided in London for few years and then he moved to the Essex countryside where he lived in Thundersley for 30 years, eventually producing more than 100 novels and short stories. He continued to be anxious for success as a dramatist, and at one time Henry Irving was favourably considering one of his plays, but he died before it could be produced.
