*The book is fantastic and great. It is definitely basic but shocks in the 50 percent in the pdf. Its been printed in an remarkably basic way and it is just soon after i finished reading this publication in which really changed me, change the way i believe.*

**THE THREE WORDS PROJECT: SHORT STORIES INSPIRED BY READERS (PAPERBACK)**

Alexandra Hughes LLC, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Banana. Elephantine. Kendama. -- What kind of worlds can be created from just three words? In the summer of 2014, I asked the readers of my email newsletter to send me just three words, which I would use to inspire flash fiction pieces I d write on the spot. The project ended up a lot more popular than I expected, with dozens of word sets coming in both that summer and the following winter. The words ranged from fedora to susurru, from explosion to widdershins, and I was inspired to write flash fiction stories just as diverse in content. From a time traveler stuck on hold while being chased by a dinosaur, to family inheritance dispute, a magician s quarrel to a private investigator on New Mars, not to mention a haunted bone garden and a Viking coming of age story, these stories run the gamut of time and space in bite-sized pieces. Each comes labeled with the three words that inspired it, both as a tribute to the original reader and as a fun glimpse into the mind of a writer at play.
