CHILDREN OF THE NIGHT (WORDSWORTH MYSTERY SUPERNATURAL) (TALES OF MYSTERY THE SUPERNATURAL)

Wordsworth Editions Ltd. Paperback. Book Condition: New. Paperback. 272 pages. Vampires, those dark children of the night, who rise from their coffins to suck the blood of the living, continue to hold a strange fascination and dread. In this unique collection of vampire stories you will find some of the earliest depictions of these fearful creatures as in John Polidoris The Vampyre and James Malcolm Rymers Varney the Vampyre, a tale which held readers in thrall when it was first published in the mid-nineteenth century. As well as these rare stories and those featuring the more well known bloodsuckers such as Le Fanu s Carmilla and Stoker s Dracula, there is a clutch of lesser known but equally frightening tales written by expert practitioners in the art of raising goose pimples. Children of the Night is a volume filled with the rich blood of chilling vampire fiction. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
