Ediciones Noufront, Spain, 2010. Paperback. Book Condition: New. 2nd Revised edition. 208 x 140 mm. Language: Spanish . Brand New Book. Mimicking the style of a cookbook, this thought-provoking guide uses a recipe format to present parents with the strategies and tools to raise well-mannered children. Discussing topics such as how to make sure all of a child's needs are met and ways to avoid authoritarianism and anger, these handy recipes liken rewards and punishments to candy and medicine and the word No to an injection of vitamins. A Christian element is also seen in some of the recipes, as David and Job are used as examples of parenting dos and don'ts. Imitando el estilo de un libro de cocina, esta guía que invita la reflexión usa un formato de recetas para presentar a los padres las estrategias y herramientas para criar hijos bien educados. Discutiendo temas como las maneras de suplir adecuadamente las necesidades del niño y evitar el autoritarismo y la ira, estas recetas útiles comparan los premios y los castigos con las golosinas y los antibióticos y la palabra No con una inyección de vitaminas. Se nota también un elemento cristiano en algunas de las recetas, en las cuales se usan David y Job como ejemplos de las cosas que se deben y que no se deben hacer como padres.
