

## Pell Mellers: Race and Memory in a Carolina Pocosin (Paperback)

Filesize: 7.62 MB

### ***Reviews***

*An extremely wonderful pdf with lucid and perfect explanations. I could possibly comprehend every little thing out of this created e pdf. Once you begin to read the book, it is extremely difficult to leave it before concluding.*  
*(Janie Wilkinson)*

**PELL MELLERS: RACE AND MEMORY IN A CAROLINA POCOSIN (PAPERBACK)****DOWNLOAD PDF**

Backintyme, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A Genealogical Quest in the Triracial South What began as genealogical research into the author s ancestry soon grew into a fascinating tale with lessons for us all. Among his ancestors, Johnson uncovered: unpunished murderers, infidelities that produced stronger families than formal marriages, entire units of North Carolinians who fought and died to preserve the Union in the Civil War. The tale holds enough plot twists for a half-dozen novels. But most of all, it reveals in a personal way what molecular anthropologists have been trying to explain all along. The fact is that we are all of multiple ancestries. Inhabitants of the New World are a genetic mix of three great populations, Native Americans, European colonists, and African slaves. Nowhere is this more vivid than in Pell Mellers, the story of one man s search for his tangled roots. Johnson s quest to understand his father becomes a discerning and sensitive historical inquiry that roots the near-present organically in the remote past. Johnson s deeply personal search for his own roots illuminates surprising, forgotten ways of life in a fascinating part of the South. -- Melvin Patrick Ely, author of *Israel on the Appomattox* This fascinating memoir about the Pell Meller community of northeastern North Carolina reads like a murder mystery. What has been murdered is the truth about their ancestry, and Paul Johnson sets out bravely to discover the corpse, the murderer, and the motives. This book is a must-read for anyone interested in the many isolated southeastern groups with odd names, like the Redbones and the Melungeons, who descend from our nation s earliest settlers, in all their ethnic diversity. -- Lisa Alther, author of *Kinfolks: Falling Off the Family...*
