

An Ancient Tale New Told - Volume 1: The Stories of Shakespeare - Tragedies

Filesize: 7.83 MB

Reviews

Excellent electronic book and helpful one. It usually does not cost a lot of. I am quickly will get a pleasure of reading through a written publication.

(Bernardo Feeney Jr.)

AN ANCIENT TALE NEW TOLD - VOLUME 1: THE STORIES OF SHAKESPEARE - TRAGEDIES

Createspace, United States, 2015. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.The stories told in the plays of William Shakespeare are among the most beloved in all literature. In this unique three-volume set, award-winning author and historian John Missall retells each play in modern prose while retaining Shakespeare's original language for the characters' conversations. The stories closely follow the action of the plays, retaining the Act/Scene structure of the originals. By using little added embellishment and minimal paraphrasing, the author allows the reader to easily understand these timeless dramatic works and appreciate Shakespeare's powerful yet beautiful wording. Volume I: The Tragedies includes the most familiar works, such as Hamlet, MacBeth, and Romeo and Juliet, plus the lesser-known plays, such as Coriolanus, Troilus and Cressida, and Timon of Athens. Also included is The Merchant of Venice. Although normally classified as a comedy, it is often viewed today as the Tragedy of Shylock. Illustrated with numerous Shakespeare-inspired works of art, An Ancient Tale New Told is the perfect tool for those who would like to become familiar with the greatest works in the English language. From the text: Hamlet enters the room, deep in thought and not noticing that Ophelia is there. His mind is still on suicide. To be or not to be: that is the question. Whether 'tis nobler in the mind to suffer the slings and arrows of outrageous fortune, or to take arms against a sea of troubles, and by opposing end them. To die-to sleep. No more; and by a sleep to say we end the heart-ache and the thousand natural shocks that flesh is heir to. 'Tis a consummation devoutly to be wished. To die, to sleep. So why not take one's own life?...
