This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

But to do good, and to communicate, forget not; for with such sacrifices God is well pleased. This inspired precept exhibits a prominent characteristic of our religion. It is a system that manifestly seeks both the present and future welfare of man. Embraced in faith and love, it can hardly fail to exert a purifying influence upon the heart and life. Not only has Christianity this direct tendency to reclaim from the love and practice of evil, and thus procure a permanent peace and glory for man; by infusing its heavenly spirit into a given individual, it renders him a benefactor to others. In fulfilment of its claims, he cheerfully consecrates his powers in steady and vigorous action, to the service of God and his fellow-men. He yields habitually to the authority of that numerous class of divine precepts of which our text is a fair specimen. In our world, full of ignorance, crime, and suffering, there is scope for the efforts of the most enlarged benevolence. And it is matter of congratulation that a spirit of religious enterprise is among the distinctive features of the passing age.
