Reviews

The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

lulu.com. Paperback. Book Condition: New. Paperback. 162 pages. Dimensions: 11.6in. x 8.2in. x 0.6in. Essential information on the neurological disease M. E. sourced from the worlds leading M. E. experts. Suitable for M. E. patients, their friends and family, partners, carers or doctors. The book includes a Foreword by the worlds most experienced and knowledgeable M. E. expert Dr Byron Hyde. Dr Hyde writes: There is so much false information that is picked up and disseminated it is near impossible to hold ones head above the water and sift through this morass of misinformation. Any attempt to seek the truth is always a major difficulty. Somehow, Jodi Bassett and Hummingbird have managed to plow through this field of weeds. This is a book that deserves being read, not only by patients and physicians with an interest in M. E. but the bureaucrats in the USA Centers for Disease Control who have done so much damage to the understanding of M. E. I recommend her book to all and wish it every best success. From the cover: For friends, family and partners: Your friend or family member may be just as ill and disabled as someone with M. S. , yet have almost no appropriate social support at all. They may also be dealing with serious medical neglect or even overt abuse. This happens due to the deliberate, financially and politically motivated confusion between the distinct and measurable neurological disease M. E. and the vague fatigue-based wastebasket diagnosis of CFS. These are two entirely different entities. Find out what is really going on and why. Learning the facts is not time-consuming or complicated, and may improve both the patients quality of life, and your relationship with them. You can help the person in your life that has M. E. Supporting your ill...
