Reality Press, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Journey Through The World of Spirit: God, Gaia, and Guardian Angels is the detailed near-death experience of David Oakford. Triggered initially by a fatal drug overdose, David became bewildered then frightened to find that we do not die. But instinctively he knew to pray to God and was soon rescued by a wise guardian angel he calls Bob. Specifically, David shares what he was shown concerning the life-after-death realms: heavens, light beings, dark souls, the life-force energy dynamics of our planet and its inhabitants, and the lessons-learned from a panel of evaluators. This clearly-written, plain-talking account of the life, death, and rebirth cycle provides much food for thought for all leaders and members of the world s major religions to contemplate. The single truth that shines through this old, old story is this one realization: Love is the answer to life s questions when all is said and done.
