In DREAMING OF LOVE. Emily Braden is a leader in architectural preservation, a pillar in her small hometown, and successful in everything she does--with the exception of finding true love. She's watched several of her brothers fall in love, and she needs this trip to Tuscany to get away from it all and to stop focusing on what she doesn't have. Dae Bray doesn't do flings, and he never stays in one place for very long. As a demolitionist, he goes where jobs take him, and the more often he travels, the better. His trip to Tuscany is all work--until he meets smart and sexy Emily, who makes him reconsider his fear of settling down, his no-fling rule--and just about everything else he's ever believed about himself. Passion sizzles as Dae and Emily explore the history and beauty of Tuscany. Their romance moves beyond tourist attractions to the bedroom, blossoming into a deep connection neither can deny. But their worlds collide when Emily wants to preserve the property that Dae is there to demolish. Can a woman who sees the beauty in preservation and a man whose life is spent tearing things down find a solid foundation for their love?
