THE GREATEST SUPERNATURAL EXPERIENCE: A TRUE STORY

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 206 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. Described by Clergy World wide as the Second Best book to read next to the Bible, this true account of a modern day supernatural experience with God, Jesus Christ, The Holy Ghost, The Father and Angels (with numerous Natural and Supernatural Miracles) is something the author insists can happen to anyone! Much of the information contained in this story is a matter of record with both State and Federal Government agencies as this story also contains the disclosure and details of a revolutionary non-fuel electric engine for cars that was invented by the author only after he had experienced a sequence of supernatural events with God. This is not anyones typical Christian testimony. This is a very unique and powerful true testimony backed up with much evidence and 100 Justified by the Word of God in Scripture. This is an incredible, TRUE story of the Power of God and an American Bad Boy gone GOOD! Learn how to communicate with God for real. It is the ultimate adventure of your life! This modern day miraculous, shocking and enlightening true story will leave you with the best understanding of the true nature and reality of the existence of God that you have ever had. You havent heard it all, until you have read this book! It could happen to YOU! God Bless! This item ships from La Vergne, TN. Paperback.
