Reviews

It in a of my personal favorite ebook. It is probably the most awesome publication i have read through. You wont really feel monotony at anytime of the time (that's what catalogs are for regarding in the event you check with me).
(Juliet Kertzmann)

POLAROIDS FROM THE DEAD (PAPERBACK)**DOWNLOAD**

HarperCollins Publishers Inc, United States, 1997. Paperback. Condition: New. Language: English . Brand New Book. Douglas Coupland takes his sparkling literary talent in a new direction with this crackling collection of takes on life and death in North America -- from his sweeping portrait of Grateful Dead culture to the deaths of Kurt Cobain, Marilyn Monroe and the middle class. For years, Coupland's razor-sharp insights into what it means to be human in an age of technology have garnered the highest praise from fans and critics alike. At last, Coupland has assembled a wide variety of stories and personal postcards about pivotal people and places that have defined our modern lives. Polaroids from the Dead is a skillful combination of stories, fact and fiction -- keen outtakes on life in the late 20th century, exploring the recent past and a society obsessed with celebrity, crime and death. Princess Diana, Nicole Brown Simpson and Madonna are but some of the people scrutinized. What is admirable about this new book is that he has chosen not to repeat the formula of his earlier commercial success. He bravely commits himself to material that is rich and deeply felt. --New York Times.
