

## Stefan G. Bucher s Letterheads: An Eccentric Alphabet (Hardback)

By -

Unnamed Press, 2017. Hardback. Condition: New. Language: English . Brand New Book. From the creator of the popular Daily Monster YouTube series comes a revolutionary new vision for characters, one that brings the alphabet hilariously alive. A very special design book, LetterHeads is the first to feature sculpted portraits of letters, employing 3D modeling software, which has been used almost exclusively by Hollywood s CGI and video game production community. Until now! LetterHeads is a graphic design book for creatives of any age, celebrating diversity and inspired by the people of the artist s hometown of Los Angeles. Infused with unique personalities, surrounded by playful vocabulary and an intriguing color palette, the letters reflect just how alive language can be. The use of ground-breaking 3D technology acts as a link to not just the future of letterform creation, but education itself. -Molded and carved like a series of classical sculptures, but free of the gaudy paint jobs, the LetterHeads allow the quirks and nuances of each diverse character to emerge. -The LetterHeads are a landmark approach to letterform creation, combining decorative lettering of the 19th century with the crisp digital modeling of a Pixar blockbuster. -LetterHeads unfolds playful vocabulary with...
