VIKU AND THE ELEPHANT

Bo-Tree House. Paperback. Book Condition: New. Paperback. 54 pages. Dimensions: 9.8in. x 7.9in. x 0.4in. Viku and the Elephant is a story of a boy and a young elephant who become friends in a forest in India. Haatee the elephant communicates with only two sounds a happy trumpet or a sad cry but Viku and Haatee understand each other perfectly. The story of their adventures together unfolds quickly, as they take on ivory thieves and thwart their selfish, evil plans. This little gem of a story grew out of a fable the author used to tell his own children when they were little. They would ask to hear it over and over again. Now the story is here for all children to enjoy. This book works well as a read-aloud story for young children, suitable for early readers (2nd and 3rd grades) and excellent for 4th and 5th graders who are ready for chapter books. It has classic themes: man against man, man against nature, good versus evil, and the illustrations are nice. - Charles Stevens, Editor, Bloomberg News. enough suspense and action to keep the attention of the children who are just beginning to take on the complexities of longer and more challenging chapter books. Whereas Horton, Dumbo, and Babar (lovable as they may be) are elephants one might want to befriend, one does not encounter them in their natural habitats. This heightens the vicarious experience of the reader. - Susan Seefeldt, Youth Services Department, Fairbanks North Star Borough Public Library, Fairbanks, Alaska. Praise from National Award Winning Teachers sincere and smooth writing, as if the story was being told amongst friends. The reader discovers the beauty and gifts of the land and culture of India, so beautifully depicted by Lynn Wolfes colorful and rich illustrations, while at the same...
