Reviews

Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Lead to Gold is a remarkable book describing how anyone can effectively use the energizing power of transitions, forced or chosen, to their advantage. It provides you with the tools necessary to take the challenges we face every day and turn them into positive forces to enhance growth rather than diminish it. Through Lead to Gold, you will learn how consistent transitions lead to greater transformation and evolution, with the end result being a more fulfilling career and life. This must-read masterpiece describes his journey from a career as a residential real estate agent to becoming the CEO of a major corporation owned by billionaire Warren Buffett. Stephen provides his perspective and insight of the personal transition from CEO to author, speaker and highly sought-after consultant. While his vision and entrepreneurial spirit made it possible for Stephen to reach the pinnacle in business, the true secret of his success lies in strong spiritual and family values. Lead to Gold is intended to inspire all those in transition-in life or business-whose aim is to be a winner and evolve to the highest level possible, in everything they do! This fast-moving, enjoyable book takes you on a journey to greater success, loaded with ideas, strategies and inspiration that can transform your life. - Brian S.
