I find those stories for a living. To most, it looks like Beecher White has an ordinary job. A young staffer with the National Archives in Washington, D.C., he s responsible for safekeeping the government s most important documents . . . and, sometimes, its most closely held secrets. But there are a powerful few who know his other role. Beecher is a member of the Culper Ring, a 200-year-old secret society founded by George Washington and charged with protecting the Presidency. Now the current occupant of the White House needs the Culper Ring s help. The alarming discovery of the buried arm has the President s team in a rightful panic. Who buried the arm? How did they get past White House security? And most important: What s the message hidden in the arm s closed fist? Indeed, the puzzle inside has a clear intended recipient, and it isn t the President. It s Beecher, himself. Beecher s investigation will take him back to one of our country s greatest secrets and point him toward the long, carefully hidden truth about the most shocking history of all: family history.
