Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

DO THE RIGHT THING: REAL LIFE STORIES OF LEADERS FACING TOUGH CHOICES (PAPERBACK)

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. What would you do? Because he knew the principles were simple in concept but difficult to apply, Davis built his course around stories of knotty leadership problems that he, along with the many prominent guest speakers he brought in, had faced. In that same spirit, his students in Do the Right Thing describe how they went on to management positions at all levels and applied those mantras to resolve nitty-gritty leadership problems themselves. There are no simple answers here, no easy resolutions for all involved, only tough choices that invite you...
