Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Many are in the world today without a definite understanding of the reason for their existence. It is not in the number of houses we build, cars we have and the money in our Bank account, among others, that determine our success in life but discovering the purpose for which God sent us into the world and fully giving expression to it. It is not going to be how long we live on earth but how well we live to fulfill our life assignment while we have this breath. With the burden to see men discover their purpose and maximize the resources given to them for the fulfilment of this assignment is the reason for which this book is written. Specifically, this book addresses: 1. What it means to live purposefully; 2. How to discover your life assignment; 3. Practical steps to fulfilling the assignment; and 4. Issues relating to understanding divine timing, location, and much more. You can t afford to leave this world without emptying yourself into it and finishing your assignment.
