MOTHER TONGUE: HOW OUR HERITAGE SHAPES OUR STORY (HARDBACK)

NavPress Publishing Group, United States, 2017. Hardback. Condition: New. Language: English . Brand New Book. No one shapes our heritage or affects our legacy like our mother. Most people know Leonard Sweet, one of the world's most influential evangelicals, as a sharp cultural critic who helps us see how to get in front of the future rather than be bowled over by it. One of his greatest influences was his mother, a groundbreaking (and sometimes controversial) minister who defied convention while honoring tradition. In this exceptionally personal work, Len Sweet opens his mother's memory box, and in the process he helps us all embrace the future with confidence while tethering us to a faith that transcends time. Through Len's experience, we all will better understand and process how our own heritage affects our legacy. An ideal resource for mothers, adult children, and families seeking resources to set up their kids to flourish.
