And we re supposed to have faith in Him no matter what happens. But when we face trauma and tragedy, we may wonder if God s Word is really true. Tom and Marilyn Rose were struck by blow after blow--a failing business, a terminal illness, a drunken driver s deadly mistake, a doctor s fatal error. How much more could they bear? They wanted to trust God, but they had unanswered questions. How long would Tom survive with a terminally damaged heart? Could they ever forgive the man whose reckless driving took two children from them? How would they ever overcome their crushing grief and financial devastation? The Valley of Decision ministers encouragement to anyone dealing with personal crisis or tragedy. Tom and Marilyn Rose know what it s like to walk through the valley of decision. Their gripping story shows the way to find hope and healing in the midst of despair and suffering. Even for those not facing tragedy, the Rose s story gives new insight into the love and faithfulness of God and builds faith to trust Him, even in the valley of decision!
