

## Tommy Igoe - Groove Essentials: Vic Firth Presents

Filesize: 2.89 MB

### **Reviews**

*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, after the way I believe.*

## TOMMY IGOE - GROOVE ESSENTIALS: VIC FIRTH PRESENTS

Hal Leonard Publishing Corporation, 2004. DVD video. Condition: New. Language: English . Brand New Book. Three-and-a-half hours of great material! Groove Essentials is based on the definitive collection of contemporary rock, jazz, RandB, funk, and world/ethnic drumming styles contained in the poster of the same name, developed by world-class drummer, teacher and author Tommy Igoe and Vic Firth drum sticks. On this DVD, Tommy demonstrates 47 of today s most popular drum patterns, including a performance of each with a rhythm track played by some of New York s top players. This unique feature lets the student hear what each groove sounds and feels like with real music played by live musicians. Included among the drum patterns are 8th-note, 16th-note and half-time rock; jazz waltz, shuffle and swing, RandB, hip-hop and funk as well as world music styles, including New Orleans second-line, reggae, Bossa Nova, Samba, Mambo, Cha-Cha, Bolero and Tango. As a special bonus, the package includes a free Groove Essentials poster (courtesy of Vic Firth drum sticks), which contains fully-notated examples of every one of the 47 grooves on the DVD! Running Time: 3 hours, 40 minutes.
