JEUX (PAPERBACK)

iUniverse, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Girls like attention-even the ones that are taken. Twenty-six-year-old Charlie is still in school and works in a bookstore. All his friends, however, have grown-up careers and committed relationships. Charlie seems to be left behind. But one attractive dancer has the power to change that. Charlie s best friend, Doug, and Doug s fiancée, Marisol, throw the ultimate parties, the key element of which is couple-driven drama. Charlie has always been a spectator to the games (always the groomsman never the groom). That is, until Doug and Marisol have a housewarming party on the eve of the holiday season-and Charlie meets Victoria. Adorable with her fair skin, deep brown eyes, and pixie haircut, she instantly captivates Charlie and reciprocates his flirtatious banter during a passionate conversation about the ballet. The small space between them fills with electricity and just a touch of tension. But his cool confidence comes to a screeching halt when he sees the ring. Not just any ring-an engagement ring. Set to the backdrop of the weird things that can transpire in life during the dawn of adulthood, Jeux is a charming boy-meets-girl novella that explores the age-old dilemma, doing what is morally right versus doing what makes us happy.
